

Application form for North Tyneside LINK Enter and View representatives

LINK Enter and View representatives visit health and adult social care services to look at what they provide and listen to the views of people using the services, their carers and staff.

Before you complete your application please read the information in this pack to find out more about what you would have to do, what qualities and experience we are looking for and the support and training you can expect.

To become an Enter and View representative you will need to be a member of North Tyneside LINK. If you are not already a member please fill in the LINK membership form and return it with your application form.

We will be interviewing candidates in May 2011.

Following your interview we will take up your references and ask you to fill in a Criminal Records Bureau form as you are not allowed to visit any services until these checks are done.

We are arranging training for the Enter and View group in June 2011. At the training you will learn more about what is expected of you and have the opportunity to talk to existing Enter and View representatives.

Please return your application form by 30 April 2011
